

Kasasa Qualifying 101 2019 Calendar

Your Kasasa Cash Account is a self-service, electronic-based account that rewards you with high interest! To earn the interest and ATM refunds, you simply need to meet three easy qualifications each month:

- Have at least 12 signature based Debit Card purchases post and settle within the monthly qualification cycle.*

***Note: Transactions and activities may take one or more banking days from the date of the transaction or activity occurred to post and settle an account.**

The **transactions and activities** must have posted and **settled** to your account for it to meet the Kasasa qualifications.

- Be Enrolled and Receive e-statements.
- Have at least 1 automatic payment or direct deposit post and settle each monthly qualification cycle.

To earn the Kasasa Cash interest and ATM refunds, you must meet all three qualifications by the Qualification End Date. Purchases POSTED AND SETTLED to your account after the Qualification End Date will count towards meeting the Kasasa qualifications for the next monthly qualification cycle. The Qualification Dates are reflected in the calendar below as a red day with a box around the date.	Example: Qualification End Date
--	--

Statement cut date. Interest and ATM fee refunds (if your account qualifies) will be automatically deposited to your account on the 25th of each month, unless the 25th falls on a weekend or holiday. In that case, the rewards will be deposited the business day prior to the 25th. The dates for interest payments and ATM fee refunds are reflected below by a green day with a circle around the date. This also signifies the first day of the next monthly qualification cycle.	Example: Interest and ATM fee refund Date
---	--

If you have a Kasasa Saver account, your interest and ATM fee refunds will be transferred to your savings account on the 26th of each month, unless the 26th falls on a weekend or holiday. In that case, the rewards will be transferred the following business day. The dates for these transfers are reflected below by a blue day with a triangle around the date.	Example: Transfer Date
